****extraordinary fruity****

this exquisite lemonade from jura in france is made after an original traditional recipe since 1921. About 90 years have passed since marcel alcide rieme, owner of the "LA MORTUACIENNE" bar, created this extraordinary fruity and refreshing lemonade with natural ingredients. rieme lemonade is still made with the same characteristic taste and produced under strict quality policies in the region of jura, where it is then exported worldwide. This lemonade excites with its really special taste.
